# BENEFITS AT ORGANIZATIONAL LEVEL

- Gained new experience in realization Nordplus projects (management and evaluation)
- **Used excellent approaches** to achieve the "tangible" results of the project and to increase the project implementation quality:
  - After each project meeting organizer writes Minutes, compiles presentations and photos
  - Seminars during the project meetings
  - Workshops on project results (first meeting, second meeting, etc.)
- Developed and enriched the teaching methods connected with the language learning, contributing to the improvement of the quality of everyday work.

# PROJECT IMPACT ON OUR ORGANIZATION

- The project raised our organization's status and credibility at the local and international arena.
- At the local arena project enhances the organization's publicity
- Contacts (personal and also at organization level) with local partners
- At the international arena
  - Cooperation and contacts will be the basis for a new development projects in the future

# BENEFITS AT INDIVIDUAL LEVEL

- Exchanged our knowledge and experiences
- Obtained new skills and knowledge
- Motivation and encouragement for obtaining new experience, especially at the international level
- Growing desire to know more about other cultures; to travel, to meet people from other countries
- Increased self-esteem and helped rid of complexes, above all to overcome psychological barriers to speak English
- Improving language competence and learning motivation, also communicative skills

# LESSONS LEARNED

- How it is interesting and useful to participate in the international project!
- Learning by doing and learning on the spot!
- We have what to teach our guests from other countries and we can learn from them
- Everyone can speak and is heard
- We have a lot of new friends in different European countries
- We are REALLY learning all our life!
- **Project never ends!**

# RESULTS

- **The greatest value of the project:**
  - An opportunity to gain new experiences
  - To compare and discuss our achievements / methods with colleagues from other countries
  - To learn more about neighbors cultures
  - To meet people from other countries etc.
  
- **The most visible results of the project:**
  - Modules
  
- We are happy that the project objectives achieved!
