THE NORDPLUS PROGRAMME

<http://www.nordplusonline.org>

- The Nordplus Adult programme is The Nordic Council of Ministers« programme for adult education and learning
- The Nordplus Programme offers financial supports various types of cooperation and exchanges between Nordic and Baltic institutions from the eight participating countries, e.g. interacting, learning from each other and join forces to meet mutual needs and challenges. Hereby the programme promotes the development of quality and innovation within the field of adult learning and education.
- The main objectives of Nordplus Adult:
 - to strengthen adults' key competences⁷ and recognition of adults' informal and nonformal learning
 - to support adult education and learning to meet the challenges of modern citizenship
 - to strengthen the link between adult learning and working life.
