

Vilnius Gabriele Petkevicaites – Bite adult education centre
Nordplus Adult project
“COOPERATION TO STRENGTHEN THE CITIZENS’ MATH SKILLS IN THE CONTEXT OF SUSTAINABLE DEVELOPMENT AND WELFARE” (NR. NPAD – 2013/10268)

SECOND PROJECT MEETING
LITHUANIA, VILNIUS
09 – 13 April, 2014

Kristina Martinaviciute

Vilnius Gabriele Petkevicaitė – Bite adult education center project coordinator, senior teacher of ethics, psychologist.

09 – 13 April, 2014 a meeting of the Nordplus project “Cooperation to strengthen the citizens’ math skills in the context of sustainable development and welfare” took place in Vilnius Gabriele Petkevicaitė – Bite adult education center. The meeting involved project participants from Latvia, Estonia and teachers as well as administrative staff representatives from Vilnius Gabriele Petkevicaitė – Bite adult education center.

The following activities took place during the meeting:

- 1) The Project coordinator from Latvia introduced the first version of questionnaire, evaluated the work of all partners, foresaw further possibilities and work deadlines.
- 2) Before this meeting in Vilnius each country performed a preliminary evaluation of the questionnaire and during the meeting made certain suggestions about questionnaire improvement, these suggestions were fixed, and their implementation was discussed.
- 3) The methodological platform composition in each country was discussed, dates and work were set and each country presented their examples and suggestions about the improvement of common project results.
- 4) Each country made a presentation “Citizens math competence/ situation analysis in the country/ teaching math to adults (e.g.in adult education centers) /math teachers’ professional development” (presentations of each country). After the presentations of all the countries discussion about situation in each partner country took place, similarities and differences in each partner country were evaluated.
- 5) During the meeting much time was devoted to dissemination activities: how to more effectively inform learners and other concerned parties about project results. Each partner presented the fulfilled activities as well as all the planned work for future.
- 6) The project coordinator from Latvia made a presentation about preparation of financial documentation of the project and report after the project finishes.
- 7) The activities with methodological material and writing of recommendations were discussed.
- 8) The project participants participated in a cultural program: a tour of Vilnius and opera.
- 9) The date for the next meeting in Estonia was set.
