IZGLĪTĪBAS INOVĀCIJU PĀRNESES CENTRS

Learning Strategies for Learners with Poor Basic Skills in a Planning of Personal Finances (*STRATFIN*)

- ❑ 36 months: 1st September 2015 - 31st August 2018
- ❑ Developed and enriched the teaching methods connected with the planning of personal finances, contributing to the improvement of the quality of our work
- ❑ **The greatest value of the project:**
 - An opportunity to gain new experiences
 - To compare and discuss situation/ methods with colleagues from other countries
- ❑ Gained very important experience in realization of educational projects (*management, implementation*)

Results of feedback questionnaire (I)

The training course was up to your expectations	The information I have received during training course was useful	The training room was suitable for the course and ergonomic	How do you evaluate the duration of training course	Will you able to use the knowledge you gained during training course at your workplace?
Yes - 2	Yes - 2	Yes - 4	appropriate	Yes - 2
No - 0	No - 0	No - 0	too long	No - 0
don't know - 3	don't know - 2	don't know - 1	too short	don't know - 3
Other - 0	Other - 1	Other - 0	Other	Other - 0

Results of feedback questionnaire (II)

	Very weak	Weak	Average	Good	Very Good
The clarity of content				4	1
The usefulness of teaching material			1	2	2
Topics were complete			2	3	

Results of feedback questionnaire (III)

What information is the most relevant for you :

Topic	Not important at all	Not important	Not sure	Important	Very important
Personal Finance: management principles		1	2	2	
Income increase : different ways to increase income, employment opportunities, qualification improvement, social entrepreneurship.			1	2	2
Living according to the income (or income and expenses planning: planning the budget.			2	2	1
Managing the money: personal finance, saving skills		1	2	2	
Financial freedom: long term and short term planning and financial goals. Role of state money and subsidies in life.				2	3
Credits, debt management and borrowing. Credit history.				3	2

Lessons learned

- How it is interesting and useful to participate in the international project!
- Learning by doing and learning on the spot!
- We are REALLY learning all our life!
- We have what to teach our guests from other countries and we can learn from them
- Everyone can speak and is heard
- Project never ends!**

Project never ends!

- ❑ Workshop on **problem-solving skills** for young people with special needs (Sweden)
- ❑ International Forum on Increasing the **Analytical Capacity** of Youth – September 12-14, 2018, Tartu, Estonian University of Life Sciences
- ❑ Adopting **Problem-based Learning** in the Training ...(*Vilniaus kolegija*)
- ❑
